

Certified Agile Leader kurz

Course code: SCRUM_CAL

Certified Agile Leader class brings awareness of Agile leadership thinking, focus, and behaviors and is a great way to start your journey of Agile Leader. Participants will develop Agile leadership competency and maturity, which increases an effectiveness of a leader in a complex and rapidly changing environment. The class provides a balanced education, practice, and peer collaboration. Certified Agile Leadership class is a great start for the managers and leaders of Agile organization to stay competitive in Agile environment. The workshop is facilitated by experienced trainers, who are certified by Scrum Alliance on the level Certified Scrum Trainer and/or Certified Enterprise Coach. After completing the training, each participant receives Certified Agile Leader® 1 (CAL 1™) certification from the US-based Scrum Alliance (formerly CAL-E + CAL-O certification). The Early Bird Price is valid no more than 30 days before the start of the course.

Who is the course for:

- Executives, middle management, and other leaders with organizational influence.
- Leaders who support, lead, or interact with Agile teams.
- Any leader sponsoring, requesting, or involved with an Agile adoption within their organization.
- The course is great value for those who are already certified Scrum Masters (CSM) and certified Scrum Product Owners (CSPO).
