

Microsoft OneNote – Perfect Notebook

Course code: MSON1

Forget colored paper stickers and learn how to effectively manage notes in Microsoft OneNote. With OneNote you will always find your notes. Thanks to the perfect classification system you will always have notes all over your hands. Use OneNote for defining of To Do Lists and quick screenshots (including the website address), link notes to the files. Combine OneNote, Outlook and smartphone to get a powerful tool for the "Getting Things Done" - GTD.
