

HackerFest 2026 HYBRID

Course code: HACK26

Did you miss HackerFest? No worries! Recordings of the presentations from the 14th year of the Czechoslovak security conference HackerFest 2026 are now available in the online archive. You will learn more about today's most dangerous hacking practices and how to protect yourself against them. Go back to the lectures that caught your interest, or play the ones you missed. Lecture recordings are available for 14 days from the date of purchase. More information about the conference and the full program can be found at hackerfest.cz.
