TechEd 2025 HYBRID

Course code: GMTEC25

The 23nd edition of the largest Czech-Slovak IT conference. Look forward to lectures by leading Czech, Slovak, and international experts in the field of information technology. The conference is designed for IT and database specialists, developers, security experts, and anyone who wants to stay informed about current and future trends in Microsoft products and IT in general. The entire event will be held in a hybrid format—3 days and 3 conference halls in Prague or via an online stream.
