Soft Skills Day 2027

Course code: SkillSDay27

The second edition of Soft Skills Day will take place on 21 January 2027 at Microsoft's offices in Prague. Hear from leading Czech experts on how to develop the soft skills that are essential to professional success today. They will share practical approaches, current trends and real-world insights on communication, leadership, personal productivity and using modern technology in everyday work.The conference is for IT professionals, managers, team leaders and anyone who wants to grow. Six talks will cover leadership, emotional intelligence, trust, character, leading across generations and working with AI as a partner. You'll take away practical tips for navigating today's challenges while staying true to yourself.The event will take place in person in Prague.

Detailní obsah konference pro vás připravujeme.
