

SAP Learning Hub

Course code: SAPLH

Everything you need to boost business success with continuous learning. Learn, innovate, and achieve more with SAP solutions. Access to guided learning and certification opportunities to maximize performance and software adoption.

Who is the course for

Designed for organizations running SAP software, looking to keep their team up-to-date with the latest SAP solution skills.

What we teach you

Upskill, reskill, and certify skills in one place, with access to all the SAP learning resources you need to succeed.

- Expert-led live sessions
- Hands-on practice systems
- Four SAP Certification exam attempts per year to get and stay certified
- Learning analytics and management capabilities

Key benefits

Learn faster with a redesigned learning experience

One engaging, easy-to-navigate learning destination for any role and skill level. Quickly find the learning content you need with enhanced search and discoverability.

Innovate smarter with a workforce that's always at the top of their game

Empower everyone to become and stay certified. Four certification exam attempts per learner included every year.

Achieve more with a culture of continuous learning

Enhanced analytics and reporting with 360-degree insights for each learner. Understand workforce skill development and the value of your subscription.

Pricing
