

Affinity Designer – basic course

Course code: AFFDES1

Are you looking for a high-quality, professional vector graphics editor, but do not want to pay hot sums for an Adobe Illustrator or CorelDRAW subscription? Finally, there is an alternative – Affinity Designer!

On our course, you will learn what are the general possibilities of vector graphics. You can handle the Affinity Designer environment and learn everything from simple object creation and manipulation to more complicated multi-object formations. You can handle color applications, transitions, and learn to work with text. You will be able to export ready-made graphics for both web pages and professional printing.

Affiliate	Duration	Course price	ITB
Praha	3	8 700 Kč	0
Brno	3	8 700 Kč	0
Bratislava	3	375 €	0
