

PRINCE2® 7 Foundation

Course code: PRINCE2F7

This 3-day course provides a theoretical introduction to PRINCE2 project management methodology according to the latest version of the PRINCE2 Project Management Manual from 2023. The course contains an explanation of basic terminology and project management definitions. You will learn 7 basic project management principles, 7 topics and 7 processes as in the previous edition. Teaching is done in Czech or English using English materials and terminology in relation to the language of the certification exam. Certification voucher is included in materials for the course.

Accredited PRINCE2® 7 Foundation is provided by Agilist s.r.o., accredited by PeopleCert Examination Institute.
