

Emoční inteligence

Course code: KOREI

The aim of the course is to understand the principles of emotional intelligence and learn how to develop it to successfully manage workplace demands and interpersonal relationships. Participants will learn how to better understand and manage their own emotions, respond effectively in conflict situations, and build positive and productive working relationships.

Who is the course for

This course is designed for managers, team leaders, and all professionals who need to collaborate effectively with others, manage workplace pressure, understand other people's reactions, and maintain inner stability in challenging situations.

What we teach you

- recognize your own emotions and understand their impact on behaviour and communication,
- work effectively with other people's emotions and respond more sensitively to their needs,
- manage conflict and high-pressure situations in the workplace,
- use motivation, creativity, and intuition when working with people,
- communicate in ways that foster trust, collaboration, and mutual respect.

Teaching materials

Gopas guide book for this course.
